Dear Bill,

I just wrote a letter to you a few weeks ago, concerning a problem that I have been having with my mail. I want you to know that that I appreciate very much, every thing that you have done, to help me on this matter. The reason that I am writing this letter to you, is to thank you for your help.

Also, I would like to ask you about something else that I feel is very important. I wrote a letter to the Chief of the Central Intelligence Agency in Langley Virginia about a very important matter. I was just wondering if you could find out for me if Mr. Turner recieved that letter.

The letter that I have sent, concerns some people that I know, who is

stealing and photo-graphing secret documents, from the U.S. Marine Corps Air Station, here in Beaufort. I found out about this matter while I was living here in Beaufort, before my arrest. I am hoping that you will be able to check on this matter for me. I have thought about this matter very seriously and I feel that it is up to me to tell someone in the Government about it. Thank you very much for all the trouble that you went through to help me. I appreciate it very much.

Very Truly yours.
